All orders are subject to availability. Order early for the best selection. Once orders have been confirmed, there are NO REFUNDS. Trees are sold in lots according to the stated quantity. We are unable to mail trees. They must be picked up from the DCCD office on delivery day. Dates are subject to change from the nursery. Careful planning and preparation are required for best results. Although the species listed have proven adaptable to Wyoming conditions, limitations may apply. For assistance with species selection, stop by our office. No warranty, expressed or implied, is available for seedling stock.
